

# THE JUDGE OF GOD JUDGMENT HAS BEGUN NOW.

## Our World Judged By the Law of God

### COVID-19 : What is the reason?

The reason for COVID-19 outbreak is because the Spirit of Truth was slandered as a cult, persecuted, and imprisoned. Furthermore, the Catholic and Christian leaders of the world, who use the Bible, transgressed against God. Many plagues have emerged since creation, but this prevailing COVID-19 is completely different. COVID-19 is God's Warning to turn from lawlessness and unrighteousness, God's Sign to show the end of the time for the wicked with their works, and God's Sword to judge this wicked world!

## Reverend Okjoo Shin, The Spirit of Truth

### Another Helper

Just as God prophesied through Moses in 1410 B.C., this holy prophet has come to us 3430 years later – Reverend Okjoo Shin is the "Another Helper, the Spirit of Truth" [John 14,15,16] who Jesus prophesied of 1990 years ago. She is the one who came to this earth as prophesied in the whole Bible. "THE LORD GOD WILL RAISE UP FOR YOU A PROPHET LIKE ME FROM YOUR BRETHREN; TO HIM YOU SHALL GIVE HEED to everything He says to you" [Acts 3:22]

*The one who came  
to this earth as prophesied  
in the whole Bible*

The Spirit of Truth Reverend Okjoo Shin has moved to Fiji with the saints who see, hear, believe and act by the Bible, to prepare for the coming great famine, to live without sinning, and to establish the 'world where only God is God' on this earth. However, the wicked men who blaspheme the Truth have slandered Reverend Okjoo Shin and Grace Road Church with false reports of being a cult, and rebelled against the great work of God.

## Rebelling Against God

### Not a Shred of Truth

The Korean Court of Justice carried out an unjust trial by charging Reverend Okjoo Shin with all kinds of crimes by calling thrashing an assault and moving to Fiji a confinement. The court dismissed all of Grace Road Church's evidences against the lies of a few revilers who left the church. Those revilers joined hands with an investigator, a prosecutor, and several media networks such as SBS 'Unanswered Questions' and Al Jazeera East 101, who maliciously edited and distorted the Truth. Without any proper review, the judge passed unlawful ruling based on blatant lies and the influence of the media, which led to the wrongful imprisonment of Reverend Okjoo Shin and the church members. She has never committed any of those crimes and is innocent of all charges.

### Threshing - An Assault?

**The people of this world slandered the biblical threshing floor as an assault. The threshing floor is the spiritual battle for the salvation of souls.** The Spirit of Truth Reverend Okjoo Shin carried out the threshing floor to protect the children of God from the plagues, the judgment of God, because of their sins. The threshing floor is literally written 44 times in the whole Bible, and more than a thousand verses are written in many portions and in many ways [Heb. 1:1]. Reverend Shin has fulfilled the following word: "His winnowing fork is in His hand, and He will thoroughly clear His threshing floor; and He will gather His wheat into the barn, but He will burn up the chaff with unquenchable fire" [Matt. 3:12]. Threshing is like CPR to wake people up from their spiritual sleep when they have the name that they are alive (Jesus' name) [Rev. 3:1] but remain senseless regardless of how long they have been listening to the new covenant. "The Light shines in the darkness, and the darkness did not comprehend it" [John 1:5]. If anyone remains senseless to sin and has no understanding whatsoever, as in this verse, the last resort is to pay the vengeance by following this word: "Arise, O LORD; save me, O my God! For You have smitten all my enemies on the cheek; You have shattered the teeth of the wicked" [Ps. 3:7]. It is the word of God which must be kept, and the commandment of God that the spiritual church [Gal. 4:26] carries out for the salvation of the souls, on the Universal Seventh Day, by guiding us into all the Truth.

The people of this world asserted our move to Fiji as confinement, special confinement and aggravated confinement. However, Grace Road Church came to Fiji, not by human thoughts, but by the word of God. Having the freedom of residence, the right to move at will and freedom of religion, Grace Road Church moved to Fiji, which is also the fulfilment of the word: "Bring your baggage out by day in their sight, as baggage for exile. Then you will go out at evening in their sight, as those going into exile" [Ezk.12:4]. The sons of God moved in order to biblically form a holy community [Ps. 133:1], to be completely set free from the worries of this life, to live without sinning, and to prepare for the coming great famine by grieving over the ruin of Joseph [Amos 6:6] prophesied of in the whole Bible. It is also a sign to indicate that now is the time to flee from Babylon, the home for demons (cathedral, church), who preach lies differing from the Bible. The time for the wicked men to do their work has ended. Each person will receive the recompense for all of his/her sins. Even the promised land of God is no exception.

## Who is the Cult?

Those who rejected the Truth were, not only in Korea, but also in Fiji, who blasphemed against the Spirit of Truth and opposed the great work of God. The fearful punishment of God is the "COVID-19" plague, which God Himself 'threshes' because of these enemies. You must turn back from all your sins! This plague is only the beginning! You have been warned. In 2016, the President of the Methodist Church in Fiji sent a false report to the Methodist pastors in Fiji, and committed the sin of condemning Reverend Okjoo Shin as a cult. Reverend Okjoo Shin, then, directly met with him to warn that she is not a cult and that he must look at the Bible again. Soon afterwards, the punishment of Cyclone Winston came upon in February 2016, which destroyed hundreds of Methodist churches and resulted in 44 deaths. Grace Road Church has been condemned as a cult by fellow Koreans and Christians alike: Nadi Korean Church, Korean missionaries in Fiji, Suva Full Gospel Church, the pastors in Fiji who called Grace Road Church a cult, and broadcasting networks (Korean SBS Broadcast Network, Al Jazeera and the Fijian press). By slandering and trampling upon Grace Road Church they have trampled upon "God's vineyard and God's field." Now the time has ended! The age of going against God, blaspheming, and deceiving people is over!

**To all who condemned  
Grace Road Church as a cult:  
You are the cult.**

## ONLY WAY TO STOP ALL DISASTERS

All who blasphemed and slandered Grace Road Church must apologise publicly through the news media, and return to the eternal gospel. Hear the word of the New Covenant [Heb. 8] proclaimed through the Spirit of Truth Reverend Okjoo Shin.

**Stop committing the grave sin of  
blaspheming against the Spirit of Truth.  
Return to Father God. Return to the  
Truth. This is the ONLY way to live!**
